On Graduation

We are leaving behind us a path that is bright;
To the forks of the road we have come tonight.
The old is behind us; the new is before.
Near is our future; ope' is the door.
Four years that were short we have left behind;
Life's storehouse is open. What treasure to find!

With loyalty fill us, with vision inspire,
Dear Alma Mater, and brighten the fire
Of hope and of courage within every heart.
With memories bless us, good cheer to impart,
Bind us together with ties that are strong,
And give us a vision, a purpose, a song!

DEDICATION

They are our friends who love more than admire us, help more than censure us, and have time for a friendly interest in our activities and in us. Therefore, with grateful appreciation, we dedicate this 1945 Castle to Superintendent and Mrs. Hunter M. Painter who were beginners with us and have for eleven years proved to us that they are our friends.

Class History

As we look back to the year of 1942 we think of it as one of the most cherished and well-remembered years of our school days. We entered high school with forty-nine boys and girls from different parts of the county and had a very successful term with Mrs. Snyder and Mr. Obenshain as sponsors.

Our Sophomore year also proved to be a record in history for our class with Miss Rebekah Peck as our sponsor. We can justly credit her with a great deal of our success through our high school with her readiness and willingness to help. During the spring of that year we entertained the Freshman Class with a reception which was greatly enjoyed by all.

By the time we entered the Junior year we realized more the work we were trying to accomplish. Mrs. Snyder will always remain in the hearts and minds of each of us as our sponsor for this year. Her guidance and thoughtfulness was always for the best. We as Juniors gave the Seniors a reception which will remain in the hearts of all those present as an event in the history of our high school days.

We have now come to the full realization that we, too, are Seniors and if we finish this work we started we must put our best into whatever we do.

Our class which started four years ago with forty-nine pupils has diminished to twenty-three faithful ones who are trying to fit themselves to various duties in life.

We cannot bestow too much credit of our success to Mrs. Camden who has been our faithful sponsor throughout the year. She is willing and ready with advice and guidance for our different pursuits.

Our Senior year has been a happy one and each day has meant a lot to each of us. Although we encountered many hardships we have tried our best to achieve success.

In closing this history of our class we extend to the entire high school faculty our sincere appreciation for the guidance and assistance they have given us through these past four years. We bid farewell and wish the ones who are following in our footsteps as much success and happiness as we have had. We feel we are now ready to face the future with a smile.

BENNIE HARRIS, *Historian*

Last Will and Testament

We, the Senior Class of '45, being of good judgment and energetic mind do leave this as our Last Will and Testament.

To Leonard Tucker, I, Fred Naff, do leave my ability to be quiet and obedient in class.

To Mary Ellen Booth, I, Frances Roberson, do leave my ability to concentrate on lessons without being distracted by boys and such.

To David, Crawford, I, Urban Austin, do leave my quick ways and ability to play basket ball.

To Mary Anne Rader, I, Rebecca Crowder, do leave my gallant red head.

To Geraldine Edwards, I, Violet Jane Cary, do leave my ways of being seen, not heard.

To Phyllis Jean Dodd, I, Bennie Harris, do leave my self control and quiet ways.

To Weldon Rhodes, I, Carroll Ashworth, do leave my ability as a modern day Romeo.

To anyone who can capture them, I, Reba Sprinkle, do leave my Boltons.

To Corky Bolton, I, Eddie Painter, do leave my love for history classes.

To Edwina Stevens and Irene Simmons, I, Ruth Wright, do leave my love for the Navy.

To Patty Painter, I, Phyllis Austin, do leave my ability to go with a boy steadily.

To any Junior who thinks that he can hold the job down, I, Bobby Melson, do leave my position as President of the Student Council.

To anyone who can succeed, I, Katherine Huffman, do leave my ability of capturing Buchanan boys.

To anyone who is lucky enough to get them, I, Isobel Simpson, do leave my looks.

To Edwina Stevens, I, Dorothy Lee, do leave my neatness and shyness.

To Richard Cook, I, Richard Rose, do leave my ability to put girls out of the picture and study.

To any Junior, I, Hazel Harris, do leave my fondness for the Catawba Bus.

To Bobby Waid, I, Lounell Powell, do leave my ability to always get to class on time.

To energetic Ruth Brickey, I, Lottie Leslie, do leave my ability to play basket ball on the hard gymnasium floor.

To Louise Trail, I, Dorothy Firebaugh, do leave my interest in Oscar Lee.

To Irene Simmons, I, Ruby Wright, do leave my ability to hold Ben Bullard.

To Ben Bullard, I, Joe Cary Robertson, do leave my ability to control my small feet on the basket ball court.

To the Faculty, we, the Senior Class, leave a bell system that can be heard at the gymnasium so the boys can get to class on time.

Prophecy

TIME: Sometime in the future
PLACE: At the home of TIME

You are probably wondering what has happened to the Class of '45. That, only TIME can tell, so let me take down the ledger and review his work.

Phyllis Austin's latest drawing, "Bathing Beauty" has been on display for the past week.

Becky Crowder has been the torch singer at the Stork Club for some time.

Ruth Wright has become tired of waiting for the Navy to come home, so she has gone in the Navy as a nurse.

Ruby Wright and Isobel Simpson have finished nurse training at the Jefferson Hospital.

Mrs. Aurich Bolton, formerly Reba Sprinkle, has taken Mrs. Booze's position as Commercial Teacher.

Dorothy Firebaugh, Hazel Harris, Lottie Leslie, and Violet Jane Cary have government jobs in Washington as typists.

Frances Roberson, a U. S. Navy Nurse, has just returned to the States after spending 19 months across.

Lounell Powell is manager and Katherine Huffman is assistant manager of Pugh's Department Store.

Dorothy Lee has just completed her course at National Business College.

Bennie Harris is strictly patriotic and is a welder in an airplane factory.

Carroll Ashworth, a famous singer, who got his start singing the Dr. Pepper advertisement song, "Tick,Tick, Tock, etc.," recently won the title of "Swoon King."

Urban Austin is winning fame as basket ball coach of F. H. S. In the years he has coached there, they haven't lost a game.

Bobby Melson, famous brain specialist, is greatly puzzled over the question, *What is a brain?*

Fred Naff and Eddie Painter are famous scientists. They are now carrying on experiments to see why the light in a refrigerator goes off when the door is closed.

Joe Carey Robertson has a full time job driving the school bus.

Richard Rose is now the most eligible bachelor in Fincastle.

Dot Sink has a very modern up-to-date beauty salon over Crush's Store.

We all make great plans for the future but few turn out the way they are planned. We may plan and plan all we like but TIME is the ruling hand, that guides us to our position in this huge mysterious world. Now I must close the ledger and let you gaze no further into the future, as that is the secret of TIME. So with this I must leave you. TIME MUST MARCH ON!

ENRICHED METROPOLITAN FLOUR

She will tell you that METROPOLITAN FLOUR makes biscuits and rolls so much lighter and whiter, that there will be a finer texture and taste than in biscuits and rolls baked with other flours.

AND WE'LL
TELL YOU THIS
ABOUT IT!

METROPOLITAN
IS A "SUCCESS-INSURED" FLOUR

It is made only from the top cream of the Golden Wheat, specially selected and scientifically milled. And finally, every batch of METROPOLITAN is kitchen-tested in our own Model Laboratory. That's why it is sold under a money-back guarantee.
